Probably did not see this from the first message on the strand below. However - along with the VTC call the conference that we had planned on getting our Ada folks to join in on is the

Don,

What number will be used for the polycom? This number will have to be synced in with video call, so I will need that in addition to the room the region will be in.

Thanks.

James

Need to see if you can hook us up tomorrow morning with the Region 3 folks via VTC. I am cc'ing Janice Donlon of our region 3 HQ office to connect you with the appropriate staff to figure out what VTC number we will be calling or they will be calling us on. We are adding a conference line per Polycom also for our ADA folks to chat on as well.

Thanks,

Don
